

## Uniform Philosophy

Uniforms indicate membership, community, cooperation, spirit of camaraderie, and a common agreement of values among those who wear them. Saint Thomas the Apostle School uniforms enable students to represent and participate in the membership of a strong, loving, Christian community.

Students wear the Saint Thomas the Apostle uniform with pride: pride in themselves and in their school. Saint Thomas the Apostle School encourages each student's uniqueness within the learning community.

Our uniforms provide choices, acknowledge individuality, and maintain a dignified presence.

Saint Thomas the Apostle School takes great pride in the students who wear the uniform and all that the uniform represents.
